EXPERIENCE

Designer at English Online School (Language Drive with Pann Pan)

- Designing and content creating at language drive with Pann Pan english school.
- This lead me to become more interest in Designing and decided to choose web design as career.

Intern Front Officer (Lotte Hotel)

- After Covid First Wave on July 9 2019, I joined Lotte hotel as an Intern Front Officer.I got a chance to communicate with Foreign people.It was my appropriate time to use my language skills.I learnt how to talk people especially foreigners and learnt how to be a good listener to get people need and want.
- I knew a lot about Customer services from this job.
- On September 14 2020 because of Covid second wave I quited this job.The most I love about this job is I learnt how to treat people fairly, learnt how to smile to strangers,learnt to have emphy and the best thing is I learnt how to go through difficult situations.

English Part Time Teacher (NELC)

- I worked as a part time English Lecturer from August 4 to October for middle school children.
- It was wonderful to teach children and I had a chance to improve my english skills by teaching kids.

F & B JUNIOR TEAM MEMBER AS PART TIMER (Sedona Hotel)

- Before Covid First Wave from December 14 to January 20 , I had a chance to get a job at Sedona Hotel.I used to work as a part timer every weekend at Sedona Hotel when I was attending SMVTI school.It was my first job experience even though it wasn't my major choice I took it as an opportunity to take it.
- As a Junior team manager, I managed for wedding plan,company's ceremony and others part staffs.
- I had a chance to communicate with new people in the job fields. It sure was not my main choice of career but it was fun to communicate with new people and also challenging.

QUALIFICATION
